# ABOUT Poppy Hills

## Porter's in the Forest

Our restaurant prides itself on getting our talents on the most exciting, seasonal and regionally-sourced products we can.

With cutting edge techniques and an eye for detail, Porter's will create an unforgettable customized menu for your event.

## THE Experience

Poppy Hills opened in 1986 as the Hilltop Course and underwent an extensive renovation in 2013. The course was reinvented architecturally, restoring each hole to its natural elevation along the forest floor.

Poppy Hills was born in April, 2014 and has evolved into a top 100 public golf course. We have grown with the changes and have become a reputable event venue, with a focus on corporate events.

If you think your team would be interested in an event at Poppy Hills, please contact [msmith@poppyhillsgolf.com](mailto:msmith@poppyhillsgolf.com)
